

# Wiper/Washer System (model 830C)

The ATEch Wiper/Washer System Trainer (model 830C) is part of an electrical system program which presents the live operation and study of wiper/washer systems. This trainer allows for instructor demonstration, student hands-on reinforcement and troubleshooting practice. Powered by a 12VDC automotive battery or a 12VDC/23A power supply (not included).

## Features:

- New vehicle components, connectors, and factory wire colors.
- Provides an advanced level of instruction by duplicating actual on-vehicle troubleshooting procedures.
- Intermittent and hard faults can be inserted using the Instructor Management Program (IMP) via a computer connected to the trainer or over the ATEch Network System (ANS).
- Hard faults can be inserted by using the built in keypad on the Wiper/Washer System Trainer.
- Ability to perform actual service manual test procedures.
- Compatible with ATEch's Instructor Management Program (IMP).
- Courseware includes Instructor Guide, Student Manual, and Service Manual Information.
- Battery posts are protected against polarity reversal.
- Includes internal power supply for uninterrupted fault operation.
- User interface displays built in scan tool data.
